over please

Dear Investor,

My name is James Boric and I've been racking up huge profits in Low-Price Stocks while Wall Street's finest blue chips have gone nowhere. You can get in on tomorrow's winners today by using my CXS Money-Multiplier System.

The great thing about the CXS Money-Multiplier System is that it is so easy to use. You don't need experience or even much money to invest in these high profit opportunities.

Imagine turning an initial stake of \$200 into \$1.1 million. I'll show you how it could happen (see page 12). Incredible stories like this happen every day in the Low-Price Stock Market. [Dan Holtzclaw, author]

You can even test the system—trading on paper before investing a cent! In fact, I recommend you do and see for yourself how easy it is. (see page 14)

Here's an example how the CSX Money-Multiplier System works. I recommended Pokemon (example stock) when the system said it was (explanation goes here)...and the stock exploded for a xxx% gain in less than three months.

The CSX Money-Multiplier System has already identified the next round of high potential winners and I'm so convinced it will work for you that if you don't Double Your Money in six months—everything you've received...including the nine free gifts is FREE! (see page xx)

One of the best opportunities the CSX Money-Multiplier System has just identified is SunOpta (STKL:NASDAQ) and I want you to know why this stock is going to make our readers wealthy in a short period of time. (see page 4)

I'll make it easy for you to identify high potential, fast growing low-priced stocks. Plus if you want to do your own homework, I'm even willing to share the secrets of the CSX Money-Multiplier System with you. (see page 8)

Low-priced stocks offer untold opportunity and with the CSX Money-Multiplier System working for you, you can be on the fast path to untold riches if you act now. This special offer may NOT be repeated...Please don't wait and miss out on the next round of explosive low-priced stock winners...

Yours for Low-Price Stock Profits,

James Boric
